Welcome to Anderson Hills Christian Church! We are a dynamic, intergenerational faith community where all are welcome. Our goal is to continue to be a loving, giving, and inclusive church where everyone is seen and heard. We believe we are called into community to support each other in learning about Jesus and how to live a life that honors our Lord and all of God's children.

Our congregation is part of the Christian Church (Disciples of Christ) denomination. The red chalice symbol is a reminder that Communion is central to our worship. We believe in an open table where all who seek to know Jesus better are welcome.

Disciples' founders did not believe that church members must think alike. We share a common Lord and savior, but encourage believers to reason and discern, guided by the study of scripture, on many matters of faith and life. Our founders liked to quote the saying, *"In essentials, unity; in non-essentials, liberty; in all things, love."*

If you are new to AHCC or the Disciples of Christ, we hope you'll stay for coffee and conversation after worship and allow us to get to know you better. Thank you for being here, and may God bless you!
